- Cupcakes-

- Choose ONE flavor, keep in mind that all guests will have the same flavor of your choosing so please pick something that your guests will enjoy: Vanilla, Chocolate, or Vanilla with Rainbow Sprinkles.
- Choose ONE theme from the list at the very bottom of this document or suggest a theme of your choice and we will let you know if we can incorporate your theme. There are many options within a theme so if you have a specific picture in mind that you want us to teach, please make sure to let us know on the party form, otherwise we will provide materials and instruction on the overall theme and help kids as needed with whatever project they decide to do within that theme. Kids can decorate their cupcakes in the chosen theme or a theme of their choosing using the materials provided. We do not provide materials outside of the chosen theme.
- Kids will work together to make batter in small groups and then each child will receive 2-3 of their own individual baked cupcakes to decorate and take home in a to go box.

- Mini Doughnuts-

- All Doughnuts are Vanilla Flavored.
- Kids will work together to make batter in small groups and then each child will receive 3-4 of their own individual mini doughnuts to decorate and take home in a to go box.
- Each child can decorate their mini doughnuts with glaze and sprinkles only or choose to add some fondant decorations to their mini doughnuts (see below pics as example). You do not have to choose a theme ahead of time for mini doughnuts as kids can decide what they are individually doing during the party.

- **Cooking Parties-Sushi, Pizza Pasta**

- Sushi-

- Kids work with veggie sushi-cucumbers, peppers, carrots, avocado, etc. There is no fish/seafood in our sushi. Our Sushi contains nori (seaweed), sticky rice, veggies, and a honey sesame sauce on the side. We will teach

kids how to cut up veggies, roll/assemble the sushi using a sushi mat, and demonstrate how to make the sauce. Each child will take home one roll of sushi that they made themselves and a container of sauce on the side. Some kids may need help rolling and cutting their sushi.

- **Pizza-**
 - Kids will work together to make pizza dough in small groups and then each child will receive their own individual dough for their own pizza. Kids can choose cheese or pepperoni at the time of the party (you do not need to decide ahead of time), and each child will take home one unbaked personal pizza in a pan to bake and eat at home.
- **Pasta-**
 - Kids will work together to make pasta dough in small groups and then each child will receive their own individual pasta dough for their own pasta. Kids will individually roll the dough and learn how to feed it through machines to make linguine. Kids will take home one uncooked container of fresh linguine in their to go container to boil and eat at home.
